In The Name Of Democracy

Nation Building in India

On the life and works of Jai Prakash Narain, 1902-1979, Indian political philosopher and social worker.

Bihar Through the Ages

Indian Political Thought: Themes and Thinkers covers all major Indian political thinkers from the ancient, through medieval to the modern times.
Thus, this book provides an overview of the evolution of the Indian political thought through different historical periods, giving an insight into the sociological and political conditions of the times that shaped the Indian political thinking. It does not only talk about the lives and times of the thinkers, but also explores the important themes that formed the basis of their political ideologies. The chapters discuss the contributions of the thinkers and at the same time examine some important themes including the theory of state, civil rights, ideal polity, governance, nationalism, democracy, social issues like gender and caste, swaraj, satyagraha, liberalism, constitutionalism, Marxism, socialism and Gandhism. With a comprehensive coverage of both the thinkers and the themes of the Indian political thought, this book caters to needs of the undergraduate as well as the post graduate courses of all Indian universities. It is valuable also for UGC-NET and civil service examinations.

Jayaprakash Narayan

Biography of Lok Nayak Jai Prakash Narayan

The Rashtriya Swayamsevak Sangh (RSS) continues to make headlines, despite several books tracing its journey. Curiosity about the functioning of the RSS has increased phenomenally as swayamsevaks have risen to top positions in government and the Sangh's core ideas of Hindu Rashtra and Ekatmata have become the mainstream lexicon of our social and political space.

India's Second Freedom

A Revolutionary's Quest

Articles and speeches by Jai Prakash Narain, b. 1902, political activist and
Sarvodaya leader.

Jayaprakash Narayan, Sarvodaya to Total Revolution

Jayaprakash Narayan

This biography of a great person is an adventurous academic venture. The present book is devoted to the great personality of Loknayak Jayaprakash Narayan, who was a great socialist, great freedom fighter and a crusader against corruption and political oppression. He overthrew the emergency regime in 1977, which was his greatest achievement. This comprehensive Biography, in an interesting manner, has culminated into an, exhaustive work on the subject. Beyond normal parameters, it is bound to serve all its users. This book is destined to be acknowledged by all academic circles. Enlightening comments and suggestive remarks are solicited very cordially. This book is an exclusive, compact and comprehensive account of the above-mentioned great life, which is bound to attract the attention of scholars, researchers, students and of course, the general readers. Contents • The Profile • A Great Life • Ideology and Philosophy • Political Life • Great Crusade • Historic Speeches • Select Writings

Socialism, Sarvodaya, and Democracy

Posing the question "Why socialism?" today is not dispassionate or academic. The starting point is that for millions of people in the United States and
around the world—for the vast majority, in fact—this capitalist system is not working. Why Socialism? It is a question that takes on greater urgency with every passing day in the United States and around the world. This book takes for granted that revolutionary change is needed. In that sense, the starting points for this discussion are the Pentagon's rule over oppressed people in other countries, mass incarceration and racist police murder here in the United States, and an economic system based on greed and exploitation. The Party for Socialism and Liberation was founded for this purpose: to intervene in a world struggle between the exploiters and the exploited. It is for the liberation of the majority—the workers and oppressed. It is for our future. To build a new society based on cooperation and revolutionary ideology to root out the scourges of capitalism: racism, war and injustice. If this is the type of future you envision, read this book.

India's First Dictatorship: The Emergency, 1975-1977

In June 1975 Prime Minister Indira Gandhi imposed a state of emergency, resulting in a 21-month suspension of democracy across India. Christophe Jaffrelot and Pratinav Anil explore this black page in India's history, a constitutional dictatorship of unequal impact, with South India largely spared thanks to the resilience of Indian federalism. India's First Dictatorship focuses on Mrs Gandhi and her son, Sanjay, who was largely responsible for the mass sterilisation programmes and deportation of urban slum-dwellers. However, it equally exposes the facilitation of authoritarian rule by Congressmen, Communists, trade unions, businessmen and the urban middle class, as well as the complacency of the judiciary and media. Those who resisted the Emergency, in the media or on the streets, were few in number. This episode was an acid test for India's political culture. While a tiny minority of citizens fought for democracy during the Emergency, in large numbers the people bowed to the strong leader in power, even worshipped her. Equally importantly, Hindu nationalists were endowed with a new legitimacy. Yet, the Emergency was neither a parenthesis, nor so much a turning point: but a concentrate of a style of rule that is very much alive today.

The Great Indian Novel
The present book on Jay Prakash Narayan comprises the life sketch of Jay prakash Narayan as one of top ranking socialists of modern India, his economic and political approach of socialism for solving India’s socio-economic and political problems, his concept of total revolution and overview, etc.

Jayaprabhash Narayan, Essential Writings, 1929-1979

Jayprakash Narayan (J.P.) was born on 11 October 1902 in the village of Sitabdiara in Saran district of Bihar, India. He came from a Kayastha family. He was the fourth child of Harsu Dayal Srivastava and Phul Rani Devi. The People’s Hero – an Indian independence activist, social reformer and political leader, remembered especially for leading the mid-1970s opposition against the powerful Prime Minister Indira Gandhi. In 1999, he was awarded the Bharat Ratna, India’s highest civilian award, in recognition of his social work. Other awards include the Magsaysay Award for Public Service in 1965. During the Indian independence movement he was arrested, jailed, and tortured several times by the British and won particular fame during the Quit India Movement. J.P. returned to prominence in State politics in the late 1960s. On 8 April 1974, aged 72, he led a silent procession at Patna. This led to students' movement in the state of Bihar which gradually developed into a popular people's movement known as the Bihar Movement. JP died in Patna, Bihar on 8 October 1979, three days before his 77th birthday, due to effects of diabetes and heart ailments. A readable biography about a legendary personality and popular Indian.

Bhoodan Yajna

Jayaprabhash Narayan (Amar Chitra Katha)

On the political Bihar movement, led by Jai Prakash Narain, b. 1902, Sarvodaya leader.

The Emergency
A searing indictment of the suspension of democracy In June 1975, a state of Emergency was declared, where civil liberties were suspended and the press muzzled. In the dark days that followed, Coomi Kapoor, then a young journalist, personally experienced the full fury of the establishment. Meanwhile, Indira Gandhi, her son Sanjay and his coterie unleashed a reign of terror that saw forced sterilizations, brutal evictions in the thousands, and wanton imprisonment of many, including Opposition leaders. This gripping eyewitness account vividly recreates the drama, the horror, as well as the heroism of a few during those nineteen months when democracy was derailed.

Bihar Shows the Way

Bandits and bullies both relied on his sense of fair play. When, as a boy, he tended to pet animals rather than play with his toys, people thought he was simple-headed. It was this spirit of kindness, however, that guided his lifelong fight against injustice and inequality. The rough and tumble of political life may have bewildered him but the country recognized in Jayaprakash Narayan an honest, brilliant and selfless Gandhian.

The Indian Struggle, 1920-1934

The RSS

This book presents a comprehensive account of the socio-political thought of prominent modern Indian thinkers. It offers a clear understanding of the basic concepts and their contributions on contemporary issues. Key features: Explores the nature, scope, relevance, context, and theoretical approaches of modern Indian thought and overviews its development through an in-depth study of the lives and ideas of major thinkers. Examines critical themes such as nationalism, swaraj, democracy and state, liberalism, revolution, socialism, constitutionalism, secularism, satyagraha, swadeshi, nationbuilding, humanism, ethics in politics, democratic decentralisation, religion and politics, social transformation and emancipation, and social and gender justice under sections on liberal-reformist, moderate-Gandhian, and
leftist-socialist thought. Brings together insightful essays on Raja Ram Mohan Roy, Ishwar Chandra Vidyasagar, Dayânanda Saraswati, Ramakrishna Paramhansa, Pandita Ramabai, Periyar E. V. Ramasamy, Jyotirao Govindrao Phule, Babasaheb Ambedkar, Dadabhai Naoroji, Gopal Krishna Gokhale, Mahatma Gandhi, Jawaharlal Nehru, Subhas Chandra Bose, Ram Manohar Lohia, Babu Jagjivan Ram, Vinoba Bhave, Acharya Narendra Deva, Manabendra Nath Roy, and Jayaprakash Narayan. Traces different perspectives on the way India’s composite cultures, traditions, and conditions influenced the evolution of their thought and legacy. With its accessible style, this book will be useful to teachers, students, and scholars of political science, modern Indian political thought, modern Indian history, and political philosophy. It will also interest those associated with exclusion studies, political sociology, sociology, and South Asian studies.

Jayaprakash Narayan

Jai Prakash Narain, 1902-1979, Indian political philosopher and social worker.

Emergency Ki Inside Story

Revisiting Modern Indian Thought

The Biography of Lok Nayak Jai Prakash Narayan is the brief life sketch of a great revolutionary and freedom fighter who not only worked with Mahatma Gandhi and Jawaharlal Nehru to win the freedom of India but also worked with the great revolutionaries and socialists like Dr. Ram Manohar Lohia. JP was a staunch Marxist but joined the freedom movement with Indian National Congress on the invitation of Jawaharlal Nehru. He
was also engaged in many revolutionary activities and even raised the 'Freedom Brigade'. He was arrested many times and spent many years of his life in various jails of India. He differed with the Congress on the matter of Partition of India and ultimately parted ways with the Congress to form the Praja Socialist Party. Later, he left active politics and joined the 'Bhoodan Movement' of Acharya Vinoba Bhave and Sarvodaya work. In the late 60's and 70's he was again active in mass movements in Gujarat and Bihar. He was again arrested during the 'Emergency' promulgated by Indira Gandhi. The inside pages consist of an inspiring account of his life-how a humble village boy of Bihar rose to become a 'Lok Nayak' or 'The People's Hero' of India.

Jayaprakash Narayan

Nation Building in India

In this award-winning novel, Tharoor has masterfully recast the two-thousand-year-old epic, The Mahabharata, with fictional but highly recognizable events and characters from twentieth-century Indian politics. Nothing is sacred in this deliciously irreverent, witty, and deeply intelligent retelling of modern Indian history and the ancient Indian epic The Mahabharata. Alternately outrageous and instructive, hilarious and moving, it is a dazzling tapestry of prose and verse that satirically, but also poignantly, chronicles the struggle for Indian freedom and independence.

Why Socialism

Few figures in modern India have enjoyed such acclaim and adoration as Jayaprakash Narayan. And yet, he has been equally vilified for all that went wrong in the unfinished post-colonial movement for freedom and democracy. Jayaprakash Narayan, or JP as he was universally known, epitomized the Marxian and Gandhian styles of political engagement, and famously brought a powerful government to its knees. Throughout his life,
he channelled an emotional hunger for transformative politics, jettisoned easy options, shunned power and incubated revolutionary ideas. A comprehensive study of JP’s life and ideas—from the radicalism of his thought process at American university campuses in the 1920s to his political coming of age in the 1930s and subsequent disenchantment with Gandhi’s leadership; from his infectious confidence about the future of socialism to his seemingly naïve plans to outmanoeuvre powerful forces within the Congress; from his fractious friendship with Jawaharlal Nehru to his relentless crusade against the stifling of dissent—The Dream of Revolution, Bimal and Sujata Prasad’s rigorously researched biography of JP, dispenses with clichés, questions commonly held perceptions and pushes the limits of what a biographical portrait is capable of. Rich in anecdotes and never-before-told stories, this book explores the ambiguities and ironies of a life lived at the barricades, and one man’s unremitting quest to usher in a society based on equality and freedom.

A Plea for Reconstruction of Indian Polity

Towards Total Revolution

There was nothing in Jayaprakash's early environment to indicate the extraordinary and variegated path his life was to take. His father was a revenue official in Bihar, an enlightened man who always had plenty of books in his home. He sympathised with the

seeks to understand many a twist and turn of the complex story of our Swaraj. Also, it is an easy way to go to understand JP, his world view, his ideology and so forth. All in all, it is a document of great historical value!

**Biography of Loknayak J.P.**

**Prison Diary**

A biography of the pioneering socio-political leader who made his mark both in pre-independence and post-independence phases of the nation.

**Swaraj for the People**

'When Jayaprakash Narayan, the leader of the JP movement in north India, pressed for the resignation of Prime Minister Indira Gandhi, it prompted her to impose internal Emergency. In this fascinating account, Bipan Chandra traces the events that led up to this moment and makes some startling revelations. He finds that there was a real danger of the JP movement turning fascist, given the fuzzy ideology of Total Revolution, its confused leadership and dependence on the RSS for its organization. At the same time, despite the authoritarianism inherent in the Emergency, particularly with the rising power of Sanjay Gandhi and his Youth Congress brigade, Indira Gandhi did end it and call for elections. Finely argued, incisive and original, this book offers significant insight into those turbulent years and joins the ever-relevant debate on the acceptable limits of popular protest in a democracy.

**The Dream Of A Revolution**
